Will Brazil's first capacity reserve auction affect battery energy storage?

Changes to Brazil's first capacity reserve auction of 2025 could undermine the expansion of the procurement regime to include battery energy storage systems (BESS) in the second exercise of the year, according to Markus Vlasits, chairman of Brazil's energy storage trade body.

Can batteries unlock the storage market in Brazil?

Unlocking the storage market in Brazil On Jan. 29, 2025, at 10:00 a.m., in a webinar held by pv magazine Brasil, Chinese electrical equipment maker TBEA will show how batteries are key tools to decarbonize, modernize, and make the Brazilian electrical system more flexible.

Can Brazil be a big battery storage country?

With well-designed policies and regulations, Brazil has significant potential to follow in the footsteps of jurisdictions like California and Chile for large-scale battery storage, Germany for distributed and large-scale storage, and Australia for both pumped hydro and large-scale battery systems.

Can foreigners invest in battery storage businesses in Brazil?

Investment, incentives and taxation scenarios According to Brazilian law, there are no legal restrictions on direct foreign investment in the battery storage businesses or in the power sector (except in very specific segments or sectors of the economy).

Changes to Brazil's first capacity reserve auction of 2025 could undermine the expansion of the procurement regime to include battery energy storage systems (BESS) in the second exercise ...

Explore Brazil's battery energy storage systems, focusing on current regulations, investment opportunities, and the role of these systems in the energy transition.

Brazil's commercial energy storage wholesale price is dropping faster than mangoes in a tropical storm. With solar adoption surging 240% since 2020 and power tariffs hitting R\$1.08/kWh in São Paulo, ...

The upcoming BESS auction represents one of Latin America's largest emerging storage opportunities. With consultation in November 2025 and auction in April 2026, U.S. firms should act ...

# Brazil energy storage battery wholesale
