Reliable performance backed by a 15-year 93.4% output power warranty and 30 ...

Designed for versatility, the Hi-MO X6 Bifacial Dual-Glass modules cater to a wide range of PV application scenarios, such as distributed roofs, PV carports, and winter gardens.

Beyond standard offerings, we excel in providing customized photovoltaic solutions tailored to specific project requirements. This includes specialized products like Building Integrated Photovoltaics ...

Longer Life Span - high durability increases overall life span. Lower Temp. Coefficient - More power generation under high-temperature. [Click Here To See Full Spec-Sheet.](#)

The Longi 620W Bifacial Double Glass Solar Panel is a high-performance photovoltaic module designed for utility-scale, commercial, and industrial solar installations.

The Longi Hi-MO X6 Dual-Glass SDM 435W solar panel delivers outstanding efficiency, durability, and long-term performance, making it an excellent choice for both residential and commercial solar ...

We deliver the world's most complete and cost-effective solar PV solutions. Our in-house engineering and product development ensure that every solar PV system manufactured complies with ...

Discover the LONGI LR7-54HJBB All Black Double Glass solar panel -- featuring a full black design, high efficiency, Class A fire safety, and a 30-year warranty.

Discover bifacial glass-glass modules from LONGi - for maximum energy yields, extreme resilience and long-lasting performance in demanding PV projects.

Company Introduction: Nanjing Moge New Energy Co. Ltd which headquartered in Nanjing, Jiangsu where

Longi s largest double-glass photovoltaic panel

PV technology is world-leading, is one of the largest PV suppliers in China.

Reliable performance backed by a 15-year 93.4% output power warranty and 30-year 87.4% output power warranty. This bifacial solar panel series is ideal for commercial, industrial, and utility-scale ...
