Where can I buy silent enclosed generators?

Buy Silent Enclosed Generators from Wenbro. Specialising in construction equipment & tools sales. Visit our site or call 087 073 7777 today!

Are all canopied generators silent?

Not all canopied generators are necessarily silent. Most still produce some level of perceivable noise. However, they don't produce enough to cause long-term damage to your ears. Exposure to noises over 85dB can start to do damage to the tiny hair cells in your inner ears, which will lead to hearing loss over time.

Are canopied generators a good choice?

Browse our range of brand new canopied or containerised silent generators for sale worldwide from 7 to 2792 kVA, and find the perfect enclosed generator for your project. When you need a heavy duty, stationary generator that's able to withstand the elements whilst producing minimal noise, then canopied generators might be just the option for you.
