What are Apollo solar pre-wired cabinets?

The Apollo Solar Pre-Wired Cabinets are the latest in the line of products designed to meet the exacting needs of installers. In our factory, we assemble a complete solar energy system with Charge Controllers, Inverter/Chargers along with all the proper size Circuit Breakers and external connectors.

What is a solar battery box?

This product is perhaps more commonly called a "solar battery box" but is also referred to as a "pole mount battery box". Some battery boxes are large enough to be considered battery cabinets and are usually made from painted steel. Battery enclosures keep your batteries safe from weather and safe from theft.

What are battery enclosures & cabinets?

Battery enclosures and cabinets are a safe way to store batteries and to protect them from the elements as well as providing a line of defense against theft.

This product is perhaps more commonly called a "solar battery box" but is also referred to as a "pole mount battery box". Some battery boxes are large enough to be considered battery cabinets and are ...

The solar battery equipment cabinets are made specifically for the solar industry with an aim to make installations safer and easier for consumers. Tailored to fit your specific needs, available in different ...

Introducing the MY0224 On-Off Grid Solar Power System Cabinet - a fully integrated 50kW inverter and 100kWh LiFePO4 battery outdoor ESS solution engineered for small commercial applications.
